BARGAINING COMES TO AN END

After 18 days of bargaining with the College and numerous meetings with our local committee, we are now in the final phase of this round of bargaining. We have scheduled a meeting on Tuesday, March 27th and we expect to have a final bargaining package for you to ratify, including both the Provincial and Local Agreements.

Bargaining Meeting and Ratification Vote

**Croatian Cultural Centre
3250 Commercial Drive
(16th & Commercial)**

Tuesday, March 27th, 2007

Meeting 2:30 – 4:30 pm

VOTING

**Croatian Cultural Centre – 4:30–5:30 pm
Downtown Campus – in front of library – 4:30–7:00 pm
Broadway Campus – Union office – 4:30–7:00 pm**

We have represented your issues to the College and we have heard back from them. Their responses will be contained in a bargaining package which you will receive before the ratification meeting on Tuesday.

This round, as you know, has had its own challenges, such as the government incentive payment, which has not particularly helped us in making gains on other issues.

Be sure to come out to the meeting and hear details of the tentative agreements.

Thank you for your ongoing support and interest. We are only as strong as our members.
